

UPCOMING COMMUNITY EVENTS

IT'S MARCH-HAPPY NEW YEAR, ANCIENT ROMANS!

Welcome to the third month of the year-or if you were born before 150 BC., the first! According to the oldest Roman calendars, one year was ten months long, beginning in March and ending in December. It may sound crazy, but you can still see traces of this old month naming system in our modern calendar. Because December was the tenth month, it was named

for the number ten in Latin (decem), just like September was named for seven (septem). So - what about January and February? They were just two namless months called "winter", proving that winter is literally so awful, it doesn't even deserve a spot on the calendar! We've all heard "Beware the Ides of March" uttered, but what does that actually mean? On the Roman calendar, the midpoint of every month was known as the Ides. This day was supposed to correlate with the first full moon of the year, and marked by religious ceremonies,, but thanks to Shakespear's Julius Caesar, we know it for another reason!

Here's to Spring and all it's glory! We welcome you with open arms, as it adds new life and new beauty to everything!

WE WELCOME OUR SPRING HOLIDAYS!

As Spring is upon us, we are getting ready to celebrate the wonderful holidays of the season. We will be having engaging entertainment, spring trips, special themed meals and of course, our popular daily Happy Hours. We will follow the traditions of each holiday, while having fun and participation. We urge every resident to join in on all our special events and celebrations that are upcoming. From celebrating St. Patricks Day, to our Easter Egg Hunt and Purim celebration. We promise fun and enjoyment for everyone! Happy Spring!

March Happenings

Remember to Set Your Clocks

Ahead this month

We have a pretty full March.

We do not have any Birthdays

but lots of things going on

that we hope the families can

come by and be a part of our

festivities.

Activities are Subject to Change

Spring Starts March 20th
