

## UPCOMING COMMUNITY EVENTS

• March marks a time of transition. In the Northern Hemisphere, it ushers in spring with the vernal equinox around March 20th or 21st, when day and night are equal. This signals longer days, warmer weather, and the revival of nature.

Culturally, March brings St. Patrick's Day on March 17th, celebrating Irish

heritage with parades and festivities. The month also hosts the excitement of March Madness, the NCAA basketball tournament, bringing sports fans together for thrilling games.

March is a time of growth, renewal, and change, inviting reflection and new beginnings as the world shifts toward a new season.
