WHY IS AUGUST SO SPECIAL?

August is known for the dog days of summer. It is officially the last month of summer and is known for various holidays and celebrations. Did you know that it is named after Augustus Caesar, the first emperor of the Roman Empire? It is said that Augustus experienced many victories during the month, and decided to name the month after himself in the year 8 BC. Also, on August 6th, 1762,

the first ever sandwich was created. It was named after the Earl of Sandwich after he requested a dish involving meat between two pieces of bread. In Sweden, August is the most popular boys' name. August is also "harvest month" in many cultures. August was a big month for the U.S. Civil Rights Movement when Martin Luther King Jr gave his famous "I have a dream" speech. It was also the start of the gold rush in Alaska. There have been several natural disasters that have taken place in August from droughts and tornadoes to flash floods and forest fires. We are presently seeing these disasters all over the country as witnessed on the news and on social media. Celebrations are abound both nationally and locally. County fairs and block parties give way to "National Smile" week August 5th thru the 11th. :)

IT'S ALL IN THE ATTITUDE!!

Studies have shown that a positive attitude is crucial medicine for seniors. Keeping an upbeat attitude can help older individuals better respond to stress and improve their health as they age. It is all of our residents' jobs to push their comfort zone, come out of their apartments, socialize, try something new and get some fresh air and sunshine. Our Lifestyle Department is always striving to create a daily calendar that has something for everyone. Why not try an aerobics class in the pool, or join our Gardening and Photography Clubs. We offer a variety of trips as well as lunch and dinner outings. If there is something that you would like to see on the calendar, please let us know!
