HOLIDAYS

December is full of fun For all my friends you see For Christmas we go to Jim's House We decorate his tree Then off to Mike's house which is next A Kinara is what we light This happens right after Christmas His family's special night My family has my friends for dinner Then it is our turn We all light the Menorah Then watch the candles burn We all celebrate different things But one thing you should know No matter how different we are We love each other so.
